

Change Your Password

Option 1

If you cannot remember your password to log in, in the bottom right corner of the login screen click the "Forgot Password" link.

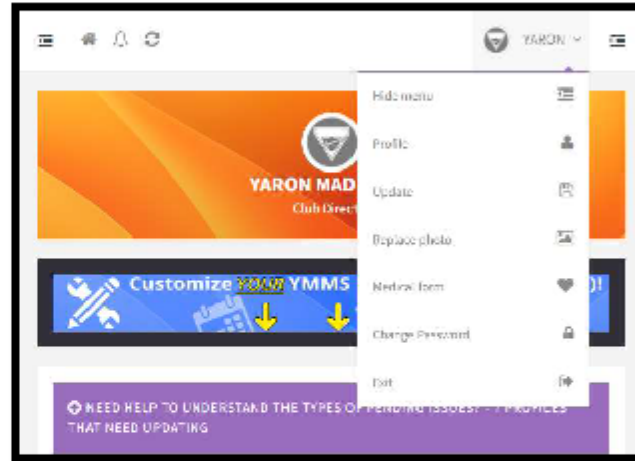

The screenshot shows the login interface with fields for 'Your username' and 'Your password'. Below these is a CAPTCHA image with the text 'SLJOT'. At the bottom right, there is a link that says 'Forgot password!'. Other buttons include 'To access YMMS' and 'Request An Account'.

You will need to know your Username and Password. If you cannot remember either of these, Your Club Director, Club Secretary, or Conference Secretary can look these up for you.

Option 2

To change your password when you are already logged into NADYouth.com, locate your name in the upper right corner of the page and click it.

The dropdown will include the option to change your password and several other options.
