About Us

The Property Development Department is your church or school's one-stop resource for all property-related transactions including the sale or purchase of land and buildings, renovations, new construction, permits, financing, leases, signage, and code compliance.

Our team provides you the critical resources and experience to make certain that your financial and legal interests are protected as you move forward with projects that impact the church's property. The success of your congregation's mission is our passion, and we stand ready to work hand-in-hand to turn your visions into reality!
